

FEEDING THE NEED

DOING
THE MOST
GOOD™

WHAT CAN I DO?

Feed the Homeless - Last year, The Salvation Army Central Arkansas Area Command spent \$91,874.50 feeding Little Rock's homeless. Small groups volunteering to purchase, prepare, and serve one meal per month at our shelter would make a BIG IMPACT.

Host a Food Drive - Last year, the Central Arkansas Area Command provided 4,321 food baskets. This increased demand has put a strain on our food pantries. We need food donations and volunteers to help stock and organize our food pantries.

NATIONAL FOOD PROGRAMS STATS

94 percent of Salvation Army food service programs reported an increase in requests for food assistance in 2010.

Nearly two-thirds of programs saw an increase in demand of 15 percent or more.

Nearly 60 percent of Salvation Army programs saw donations remain flat or decline.

23 percent of programs reported that volunteering rates increased in 2010, a sign that many Americans are beginning to donate time and talent instead of money.
